

CERTIFICATE

for

quality assured vinyl-profiles

Registration N° 121

The RAL-Gütegemeinschaft Kunststoff-Fensterprofilsysteme e.V.
(Reg. association for plastic window profiles) confers to

INOUSIC / Deceuninck GmbH
Bogen, Bayerwaldstrasse 18

with regard to its window profiles (see enclosed list)

“INOUSIC / GERMANY”

produced in: **Bogen**

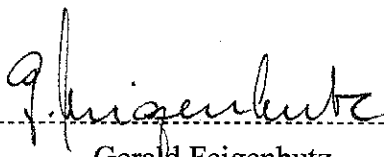

the RAL quality mark

The company has now the right to hold and indicate the RAL quality mark copyrighted and recognized by RAL Deutsches Institut für Gütesicherung und Kennzeichnung e.V. (registered German institute for quality assurance and labelling). This right is bound to the obligation to strictly respect the RAL quality and test regulations according to RAL-GZ 716/1. The fabrication of the product mentioned above is subject to a regular quality control by an accredited and neutral testing institute.
